A discussion of the upcoming Law Enforcement vs Private Security golf tournament was discussed and the date was approved as May 7th, 2010. Our special guest was the Region 6, Vice President, George Quin. Mr. Quin spoke on the direction of ASIS and the importance and benefits of the professional membership. He also discussed the different aspects of security and the certification process. Mr. Quin explained his role in the organization and pledged his support to the chapter. The speaker for the meeting was SSA Sam Camargo, FBI Border Relations Representative, who discussed the effects of the violence in Juarez and Mexico on the security of businesses in Mexico, El Paso and along the US border. Agent Camargo gave a brief history and overview of those involved in the violence and the goals of these organizations. He then answered questions directed by the membership as to security concerns and effects on commerce throughout El Paso and the border.
